

RESOURCES FOR STUDENT MUSICIANS - EDUCATOR GUIDE

Embracing the 'e' word (entrepreneurship)

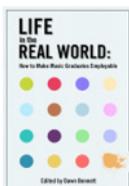

This resource is designed to help students think about the administration and development of their practice as a core aspect of being a musician, rather than as a distraction from the business of performing or creating.

Time allowance

Allow students 10 minutes to complete the resource: just two minutes per question.

Student resource

The student resource for this guide can be found on the [Developing EmployABILITY student website](#) and in the [music toolkit on our educator website](#).

This resource comes from *Life in the Real World: How to Make Music Graduates Employable*, published by Common Ground in 2012. Purchasers of the book are permitted to download all of the tools and resources.

If you have yet to purchase the book, please order it from [here](#).

This resource was contributed by Janis Weller (McNally Smith College of Music) and Dawn Bennett (Curtin University).
